

EMPLOYMENT TRAINING PROGRAM Job Development Plan

Name: _____ TABS ID #: _____

JOB DEVELOPMENT PLAN

PURPOSE: To research and consolidate the pertinent information related to an individual’s employment related needs and qualifications **before** approaching businesses to develop a placement. By having this information, the Job Developer will be able to provide targeted job development at businesses who have positions that meet the individual’s skill, ability, preference, experience, schedule, transportation, environmental, cultural, and support needs. The Job Developer will be prepared to negotiate any necessary customization to positions so that they meet the individual’s needs. With the focus and strategies provided by this plan, the Job Developer is more likely to create effective job matches. The Job Developer should approach businesses the provider currently has relationships with as well as new businesses to build new relationships. Targeted job development is best accomplished by directly contacting businesses to develop placement opportunities. **Do not just focus on completing online applications.** The SEMP Manager should provide oversight and guidance throughout job development.

INSTRUCTIONS: Review Discovery documents and follow up as needed to fill out each section below with detailed, individualized information. Review the plan with the individual, the Job Developer, the SEMP Manager, and any other staff or stakeholders that support the individual for approval, and collect signatures on page 6. This plan should be available to anyone supporting the individual with any part of their job development.
