

2021 New York State APSE Virtual Sessions

We've missed you and would love to have the chance to see you again!

Join us in one or more of the upcoming **FREE** sessions

April 12, 2021 10:00 AM-11:30AM

Opening Keynote: **Strategies for Building Resilience and Hope** featuring Hasan Davis
(www.hasandavis.com)

Hasan will explore the importance of Social Emotional Learning (SEL) and non-cognitive engagement to support our work with clients. In an exploration of the Affective Domain (often referred to as The Feeling House, per Hasan's Mentor, the late Dr. Willie Parker) Hasan will share some of his core strategies for building resilience and establishing connections with supported populations.
