How is ETP Funded?

ETP Intern Wages are State Funded

Job Supports are OPWDD SEMP Waiver Funded
ACCES-VR Employment Services
(Adult Continuing Career and Education Services – Vocational Rehabilitation)

ACCES-VR funds initial job development and job coaching for individuals who can get and learn a job within a shorter time span. Individuals who need more than approximately 4-6 months of job development and intensive job coaching are referred to OPWDD ETP.

ACCES-VR services are time limited. Individuals who are OPWDD eligible and gain jobs through ACCES-VR must transition to OPWDD SEMP services for ongoing, periodic job coaching supports.

ACCES-VR is funded through the federal Rehabilitation Services Administration (RSA) through the NYS Department of Education.

Individuals need to apply to ACCES-VR or ETP at least one time in their career for intensive SEMP supports. Once this requirement has been met, individuals may regain employment in the future through OPWDD services, as needed.
ACCES-VR & Federal Requirements

- Medicaid is the payor of last resort.

In order to meet this requirement:

- Individuals need to receive Intensive supported employment (job development/job coaching) services at least once through ACCES-VR,

  OR

- If an individual requires higher level of supports, ACCES-VR has agreed that OPWDD’s Employment Training Program (ETP) may be an alternative for ACCES-VR (See OPWDD and ACCES-VR Letter of Agreement)

You do not need a denial from ACCES-VR to enroll in ETP/SEMP services.
Sample Questions for Person-Centered Planning and Identifying a Vocational or Employment Service?

- Has the person participated in a Discovery service (ETP, Pathway to Employment or Community Based Prevocational services? **If no, refer to a Discovery service.**

- Does the person have community volunteer and work experience? Were they successful and satisfied with those experiences? **If yes, refer to an employment service. If no, refer for Discovery service.**

- Does the person have a clear job goal? Do they have positive experiences with that career goal? **If yes, refer to an employment service. If no, refer for Discovery service.**

- Does the person fully or partially participate in the community independently? **If no, refer to skill development services (CBPV, DH, Pathway, other, etc.)**

- What supports can the support team provide to help the person be successful in employment? **Are there additional supports or services that may be added to assist the person to be more success (see what programs may be combined)?**

DECISIONS ARE BASED ON THE PERSON’S SKILL AND EXPERIENCE LEVELS. SEE THE TOOLS IN THE TOOL BOX TO DETERMINE WHICH IS THE APPROPRIATE VOCATIONAL OR EMPLOYMENT SERVICE?

Which Programs May Be Combined?

- **Community Based Prevocational Services (CBPV)** – up to 4 hours a day may be combined with ½ unit of day habilitation or ½ unit of site based prevocational programs. No limits on SEMP/ETP and Pathway.

- **Pathway to Employment** – wrap around service (278 hours in one year) and may be combined with other services with the exception of OPWDD Intensive SEMP. If a person is receiving job development services from ACCES-VR, they should not be enrolled.

- **Employment Training Program (ETP)** – may be combined with other services. ETP services are typically 5 hours/week during Discovery/Job Development and 10-12 hours/week when working in the internship.

- **Supported Employment (SEMP)** - may be combined with other services. When employed, other services should wrap around the job, which is the priority.

*See full billing limitations in specific service regulations*

Which Programs May Not be Combined

Individuals **cannot** be enrolled in ACCES-VR Supported Employment services* and OPWDD Supported Employment services at the same time.

*ACCES-VR considers college funding/supports, driver’s training, vocational evaluations, supported employment, etc. as employment/vocational services.*
When Can You Enroll Someone in SEMP?

- After the individual has completed ACCES-VR and is employed, they may transition to OPWDD’s Extended SEMP services 90 days after agreed upon stabilization date.

- If the individual already has a job and is requesting OPWDD SEMP, they can be enrolled into OPWDD Extended SEMP. ACCES-VR does not provide Extended services (Follow Along services) to OPWDD eligible individuals.

- If the individual does not have a job and is not enrolled in SEMP:
  - The SEMP agency requests an approval number for Intensive SEMP from OPWDD Central Office. This may or may not be approved based on criteria.
  - The provider agency shares the approval number with the Care Manager for the SARF.
Public Benefits Planning

• Does the person receive SSI/SSDI, Medicaid/Medicare and other public benefits?
• What other income or assets does the person have?
• What would be the impact of wages on public benefits?
• What employment-related, financial incentives may be available (e.g. Impairment-Related Work Expenses (IRWE), Plan for Achieving Self Sufficiency (PASS), subsidies, etc.)?
• Who will notify the public agencies about wages, submit pay stubs (as required) and coordinate overall finances with the person?
• What resources are available for advice and information?

New York State Toll-Free Work Incentives Hotline numbers are 1.888.224.3272 Voice and 1.877.671.6844 TDD

Number of units equals “service units” not “billing units”.

When discussing SEMP with individuals and families, inform them that there is additional criteria for SEMP services. What is the right service for the person ETP, SEMP or ACCES-VR? They may need to discuss further with a SEMP agency and Care Manager?
