

Plan the best times to save and spend with this **Income and benefits tracker**

1. Fill in the net income amount you receive each week for any category that applies to you. Note any income that comes at predictable times and in the same amount to help show you what income you can count on each month.
2. Add up the amounts you receive each week and write that in as the weekly total.
3. Add up the weekly totals to figure out your income for the month.
4. Make copies of the tracker to follow your income from month to month.

Term to know: net income

Net income is what you actually bring home in your paycheck. It's your total pay (gross income) minus taxes, insurance, and other deductions that are taken out.
