

What Classes Do I Need to Take?

Please be aware that Eleversity Customer Service staff are here to assist learners with registration, course credit, account, and other issues. If you have questions about what classes you need to take or should take, please reach out to your supervisor for guidance. If you are unsure of what classes best align with your professional development, you can use the chart to inform your course selection.

Always read the course description before registering for a class, which will describe the purpose of the course and any recommended requisite learning.

If you were hired **PRIOR** to January 2, 2024, you are required to take 24 credits hours within the **first year** you start providing SEMP services. Your “start date” is the day you are hired or being providing SEMP services, and you will have 1 full year to take 24 credit hours.
(Example, if your start date is October 16, 2023, you will have until October 15, 2024)

If you were hired **AFTER** January 2, 2024, you are required to take 24 credits hours within the first **two (2) years** you start providing SEMP services. Your “start date” is the day you are hired or begin providing SEMP services, and you will have 2 full years to take 24 credit hours.
(Example, if your start date is January 4, 2024, you will have until January 3, 2026)

If you are unsure of what classes you have already taken, review your transcript in your Eleversity account.
To learn how to do this, watch this brief [How-To video](#).

When you register for a course, **be sure to complete the registration process**. You will receive a confirmation email within 20 minutes. The confirmation email will contain the Zoom link and course details. Retain this email to ensure that you are able to log onto zoom timely.
